

The figure is a scatter plot with a diagonal line from the bottom-left to the top-right. The area below the line is shaded gray. Data points are categorized by 'Dimension' as shown in the legend:

- Dimension 0 (Red):** These points are clustered on the left side of the plot, mostly above the diagonal line. There are approximately 15 red points in total.
- Dimension 1 (Blue):** These points are located along the diagonal line. There are 3 blue points in total.

The legend in the bottom right corner is titled 'Dimension' and shows a red square for '0' and a blue square for '1'.
